

Cleanliness and safety are always a top priority at USCCOMPANIES, INC

Our team has developed new practices that achieve the highest standards of cleanliness and sanitization as recommended by the CDC to prevent the spread of Corona Virus (COVID-19) and in line with the Department of Business and Professional Regulation recommended safety measures. We are committed to doing our part to keep guests, owners, and staff safe.

- **Protective Gear**

All Housekeepers and inspectors will wear protective masks and gloves when cleaning rentals.

- **CDC Approved Cleaning Agents**

USCCOMPANIES, INC Housekeepers are trained in CDC cleaning procedures along with the use of CDC recommended cleaning agents, which are known to kill all known pathogens, including Corona Virus.

- **Re-wash Dinnerware**

USCCOMPANIES, INC Housekeepers will re-wash all dinnerware, including dinner plates, glasses, coffee cups and silverware, between arrivals.

- **Sanitization of ALL Bedding & Linens**

USCCOMPANIES, INC Housekeepers will remove, bleached, sanitized and professionally laundered ALL linens and towels between guest arrivals. Protective pillow covers are cleaned and sanitized for additional safety.

- **Extended Time Between Guest Check-Ins for Sanitization & Cleaning**

USCCOMPANIES, INC Housekeepers are trained in CDC cleaning processes and are using CDC recommended cleaning agents. Upon guest departure, rentals are stripped of ALL linens, bedding, and towels and sprayed with a CDC-approved disinfectant agent that kills up to 21 germs and viruses, including Corona Virus. Housekeeping crews will clean and sanitize the vacation rental. Once cleaning is complete. At this time, team members will also disinfect door handles, light switches, and remote controls while surveying the property to ensure rentals are fully sanitized and disinfected prior to guest arrival.
